ARRIVALS & DEPARTURES

CHECK-IN & CHECK-OUT

CHECK-IN

After 4:00 PM

CHECK-OUT

By 10:00 AM

Early check-in or late check-out of up to four hours may be available for a $100 fee. Please let us know if you are interested, and we can confirm availability 48 hours before your stay. Because we need sufficient time to clean and prepare the home between reservations, early check-in and late check-out are not available when another guest is departing or arriving on the same day.

PARKING

Please park in the driveway or in the grass along the road directly in front of the house. Take care not to park in the street, in front of neighbors' houses, or in the yard.

BEFORE YOU GO — A QUICK CHECKLIST

- Leave used towels in the bathroom
- Double-check that you haven't left any belongings
- Turn off lights, lower shades, and lock windows and doors
- If you have an extra moment, it would be great if you could start the dishwasher and take the trash & recycling to the bins located beside the carport. No worries if you are in a rush.
- We'll take care of the rest!

MAKING EVERYONE FEEL AT HOME

HOUSE RULES

These guidelines help us protect the home for future guests and keep our neighbors happy. Thanks for your care.

- Parties, gatherings, and unregistered visitors are strictly prohibited. Only guests listed on the reservation may be at the property. Violations could jeopardize our short-term rental permit and will result in immediate termination of the stay without a refund. We live nearby and remain in close contact with our neighbors.
- The neighborhood noise ordinance runs from 10 PM to 6 AM. Please respect our neighbors.
- Canine guests should be approved in advance. If you brought your dog and did not let us know, please shoot us a message now. Please clean up after your pets and dispose of their waste in the outside trash bins. Please do not allow them on the beds or furniture. Dogs should be crated or corralled when left alone. Fees may be incurred if extraordinary cleaning or repair is required due to your pets.
- No smoking inside. You may smoke outside, away from open doors or windows. Please don't toss cigarette butts in the yard — fines may apply.
- Guests may only decorate the property with items that do not damage or alter any surface. Tape, glue, thumbtacks, nails, staples, glitter, and confetti are prohibited. You will be responsible for the cost of repairing damage or removing adhesive residue caused by decorations.
- Don't flush paper towels, wet wipes, tampons, or anything unusual down the toilets.
- If something breaks — please let us know as soon as possible. We'd much rather know up front so we can take care of it.

MAKE YOURSELF COMFORTABLE

HOUSE TIPS

Helpful tips and instructions to help you settle in.

ACCESS

You have full access to the property with exception for the supply closet located at the end of the front hallway and the one in the carport.

THERMOSTAT

Please make sure all windows and doors are closed before using the air conditioner or heat. The thermostat is located in the hallway off of the dining room. Please adjust the temperature in one- or two-degree increments and wait one hour in between adjustments. When using the air conditioner, please do not set the thermostat below 72 degrees to prevent the unit from freezing up. Please adjust the thermostat to an energy conserving temperature if you leave for the day (air conditioner at 75 degrees and heat at 65 degrees).

Please note that repeated opening and closing of the doors (like when packing and unpacking your car) will result in a warning message on the thermostat that there may be a cooling problem. As long as the air blowing from the vents is cool you can disregard this message.

TRASH & RECYCLING

Please do not use trash bags to line the recycling bin as trash bags are not recyclable. The large trash and recycling bins are located outside next to the carport. The recycling can all go into the blue bin – no need to sort it. The recycling gets collected every other Thursday and the trash gets collected every Tuesday. Someone will be by to bring the bins to the curb.

COFFEE

We provide coffee, sugar, a grinder, and a coffee maker. The coffee supplies are located next to the refrigerator.

Scan the QR code to view detailed coffee maker instructions.

LAUNDRY

The washer and dryer are located in the closet off of the kitchen. For best results use the timed dryer settings (i.e., “40 minutes” instead of “normal”) and remember to empty the lint trap before/after you use the dryer.

YARD THINGS

Helpful tips for enjoying the outdoor spaces.

HOT TUB

To remove the lid, fold it back halfway then use the metal arm to lift the lid the rest of the way off. Use the digital control panel to adjust the jets and lights. Please shower before using (especially if you are sandy!) and keep the hot tub covered when not in use. The hot tub gets professionally cleaned every Friday morning. If it needs additional attention please let us know.

GRILL

Its a gas grill and propane is provided. If you go for a refill, Jadoons is the closest store. Let us know and we'll reimburse you. Grill tools are in kitchen island drawer across from the fridge. Please clean and cover the grill when finished.

OUTDOOR FURNITURE

Please return everything to its original location when finished and close the umbrella when not using.

GAMES

Yard games are stored in the storage bin on the patio against the house. Please return them when finished playing.

OUTDOOR LIGHTS

The string lights are on a timer set to turn on at dusk and off at 10 PM. If you'd like the schedule adjusted, contact us and we can change it.

YARD CARE

Lawn maintenance happens on a regular schedule. If you hear our crew during your stay, just give them a wave — they're quick.

OUT & ABOUT
RECOMMENDATIONS & SUPPLIES

EXPLORE CHARLESTON

Visit our website to get the lowdown on our favorite local restaurants, bars, and activities

https://perpetualholiday.com/local-recs/

WHERE TO SHOP

NEARBY · SPECIALTY
